VISITOR COMMENTS: Supervisor Merrill stated that we will continue to have Visitor Comments as long as everyone does it civilly and with decorum; only at this time will we hear from the visitors; once a topic is over it is over; if not then visitors will need to request to be placed on the agenda 48 hours in advance. Louie Bunker asked how the Town Attorney was coming on his research of the Town becoming a Sanctuary Township for the 2nd Amendment? Town Attorney replied that only one Town in NY is adopting this; he has some issues with the resolution presented; the Board needs to consider why they are making any resolution and making a resolution a policy and how they are going to enforce the policy; a Town cannot adopt a local law beyond their power; there are rules of the Federal Government and State Government that need to be enforced by all.
